

Join us for an webinar on

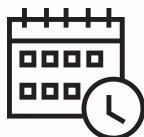

Professional Learning Community

Internationalising Learning and Education

Joined Project Experience

Vitek Dočekal, Chris Johnstone, Barbara Kappler, Jana Ter-Akopow Čemusová

The webinar will introduce the Professional Learning Communities method aimed at the internationalisation of teaching and the further development of professional competencies in the field of education. The course facilitators will then summarise the themes and outcomes reached by the participants during the individual sessions. The webinar will conclude with a presentation of the outcomes, specifically the insights participants take from the course according to their self-reflection.
